

ELGIN VINTNERS

Weddings

If you are seeking an idyllic venue to host your wedding or function,
then Elgin Vintners is the perfect space for an intimate affair.

The journey starts here

With the natural surrounding beauty of this Elgin jewel, your wedding day will surely showcase romance in every sense of the word. The Elgin Vintners Country House, boasting a luscious English-style garden, sets the scene. The expansive lawn, which provides ample space for a dance floor, can be transformed into a magical fairy-tale setting with festive lighting draped amongst the ancient oak trees. The venue is surrounded by an amphitheatre of mountains creating a spectacular ambience for you and your guests to celebrate the night away.

The historic and charming Country House was recently renovated and restored to its former glory and can accommodate 10 guests. Accommodation is included in the wedding package.

Please contact our professional and equipped team of experts and allow them to assist you in creating the perfect event. All packages can be tailored according to your individual needs.
