

ELGIN VINTNERS

COOL-CLIMATE WINES OF DISTINCTION

UNIQUE COOL-CLIMATE TERROIR

The high-lying cool-climate Elgin Valley, cradled in the ancient sandstone Hottentots-Holland and Kogelberg mountains, was traditionally an apple-growing region. Now award-winning wines showing exceptional poise, finesse and elegance are produced here.

Due to vineyards elevated between 260 and 600 meters above sea level and the unique terroir, the grapes ripen on the vines for longer than local in-land and many of the world's most famous wine regions. The average annual rainfall is 1,011mm with 366mm falling in summer, and parent soils comprise of Table Mountain Sandstone and Bokkeveld Shale.

**WINEMAKER &
BUSINESS MANAGER -
DR. MARINDA KRUGER**

A woman with an ever-inquiring mind who believes in grabbing every opportunity that life offers, Marinda is the winemaker and business manager at Elgin Vintners.

Armed with a BSc in Food Science, a Master's in Viticulture and Oenology, and a Ph.D in AgriSciences with a focus on natural fermentations, Marinda believes a combination of unique climate and personal commitment is what is reflected in the character to be found in every glass of Elgin Vintners wine.

"Being in the wine industry is about business. Staying in the wine industry is about passion."

ELGIN VINTNERS

CLOUD HAVEN

Cloud Haven is a true expression of the Elgin Valley cool climate terroir. Farmed on Blaauwkrans in the Elgin Valley, Cloud Haven offers unpretentious and fresh wines, usually released early with each vintage, and made for easy drinking and every day enjoyment. The range consists of a Sauvignon Blanc and Merlot Shiraz blend.

ELGIN VINTNERS
BELLE AMIE
WINE OF ORIGIN ELGIN . SOUTH AFRICA

Belle Amie – meaning my beautiful friend – is an elegant, dry style blanc de noir made from Merlot and a dash of Shiraz, showing excellent poise and finesse. This refreshing and well-integrated wine is ideal to enjoy on a sunny day with friends and very popular amongst female consumers. Often also bottled in limited 1,5L magnums, it makes for an ideal gift or a great tippie when entertaining.

Carefully selected, hand crafted, domain and vineyard specific wines, the Site Specific Range is a revelation of true craftsmanship. Barrels are specifically singled out and wines produced in limited quantities to express a true sense of place. The range consists of a Sandstone Barrel-Fermented Sauvignon Blanc, Ponthuis Pinot Noir, Ironstone Syrah, and Oudebrug Merlot.

SITE SPECIFIC RANGE

ELGIN VINTNERS

This is the core range in the Elgin Vintners portfolio and consists of 6 wines. Time is taken in the vineyard and picked at optimal ripeness to ensure full-flavoured, ripe, and plush wines. Kept for as long as possible on the fine lees and with minimal intervention in the cellar, this range delivers wine with longevity and excellent maturation potential. The range includes Sauvignon Blanc, Sauvignon Semillon blend, Chardonnay, Merlot, Pinot Noir and Syrah.

T'KANE OUWE

T'Kane Ouwe, translated as Eland's Path, was a track used by the Khoi herders crossing over the Gantouw mountain range, now Sir Lowry's Pass. This straw wine, made from Viognier grapes, has a natural sugar concentration and well-balanced acidity which ensure an elegant and fresh dessert wine.
